

6th Annual “Driving Fore Autism” Golf Outing sponsored by Team Garrett
All proceeds are raised for Team Garrett and donated to the Autism Support & Resource Center

Friends and Family:

We are BACK and planning the best Golf Outing of the year! Like many things in 2020, our outing was cancelled due to COVID-19 restrictions. The Autism Support and Resource Center just re-opened their doors in April of 2021 and started offering Life Skills Classes, POWER Basketball and are now planning for their summer POWER Camp program. After a year that was so terribly difficult for the ASD community, they are eager for our support once again and can't wait to get back to full-throttle with all their programs!

The Autism Support and Resource Center (ASRC) is running smoothly with the help of amazing donors like you!! Funding is now being used to help expand the Life Skills programs to all individuals no matter how they fall on the spectrum. “Garrett’s Place” is the home of ASRC’s Life Skills Center. Life Skills classes are in full swing for teens and adults to help guide them in leading an independent life. Classes include social skills, pre-employment, cooking, home maintenance, monthly budgeting/finances, and recreational hobbies - including POWER Camp and tailored athletic programs. The ASRC provides scholarships for those who may not be able to afford the classes and programs.

Garrett Dennis is now almost the big 21! While most 21-year-olds cannot wait to get their first legal drink, Garrett could care less about that. He enjoys things like getting new video games, shooting with “Buddy”, and hanging with friends to see a movie. Garrett was diagnosed with Autism at the age of 3. He is a funny, sweet, caring young man and LOVES to laugh and make others around him laugh! He actively attends the Life Skills, pre-employment, and cooking classes. He is employed at Ideal Transportation and Rock Bottom Stone Supply. He is shaping up into a hardworking man with plenty of support by all his family and friends. Life after graduating high school has been a little difficult for Garrett, but with opportunities like the Life Skills classes, pre-employment classes and Social groups we are anticipating a more successful future. The “Life with Autism” future is Bright!!

This year’s outing will be held September 10TH at Flint Golf Club, 3100 Lakewood Drive, Flint, 48507. Shotgun start at 10:00 am. Registration will begin at 9:00 am.
