MARCH 4, 2021

Hello Past POWER Camp Families!

As we shared in our last update regarding POWER Camp, this summer we will be offering camp, but due to COVID the overall size of Camp will be reduced. In that light, we will be offering priority registration to PAST CAMPERS first. Past campers will have the opportunity to register between March 15-April 9th. As a reminder, camp dates are July 12-15 and July 19-22 (M-Th; NO OVERNIGHT THIS SUMMER; approx 8:30am-3pm)

In order to communicate with as many past camper families as possible, please give us your most up to date email using the form in the comments. We will have this form available until Friday, March 12th. By the morning of Monday, March 15th, we will send these families an email with detailed instructions on registration. **AGAIN THIS IS FOR PAST CAMPERS ONLY! IF YOUR CHILD HAS NOT ATTENDED CAMP IN THE PAST, YOUR EMAIL WILL BE REMOVED.** If there are openings after this time frame we will open registration up to the community.

Please tell friends who have been past campers to make sure they know!

We can't WAIT for this summer!

Anne Haley & Amy Morris
